ALL ABOUT OUR OSHC EDUCATORS

My name is Stella Tronnolone, I am a third-year student at The University of South Australia. I am studying a bachelor's degree of Primary Education, which has been something I am enjoying.

I Started working at St Gabriel's OSHC in March which has provided me with great opportunities and has allowed me to understand children from a different perspective, and how each child has their own unique characteristics.

One interesting fact about me is I have been to Croatia and got to walk and swim in a beautiful waterfall, that has crystal blue and green waters, with amazing ocean life. The waterfall is naturally made with no help from humans, this makes it a very special landmark in all of Croatia.

Due to my Italian background heritage, in my spare time I love to cook and go down to the Italian supermarket and watch/ help the nonnas and nonnos make fresh pasta that is later sold within the store. Every Monday I take my nonno out to lunch, as I love spending time with him.

I look forward to getting to know the St Gabriel's Community and working with the students. If you have any questions please feel free to stop me in the OSHC room, I am always happy to have a chat.

Thank you

Stella Tronnolone 😊

Child Care Subsidy: (CCS)

If you are a family who only use Vacation Care, please make sure you have your parent code and password ready to sign in on arrival and when collecting your child in the afternoon. Also, after 8 weeks of not using the centre, Centrelink will cease your account. When you book into next vacation care and are claiming CCS you will need to re confirm with My Gov, to be able to receive the subsidy.

Child Behaviour Policy

St Gabriel's OSHC is passionate about creating a safe, inclusive, and supportive environment that enables students to express themselves in a positive way that is supported by all staff and the school community. Positive student behaviour is essential to promote positive learning environments and positive peer relationships.

Behaviours that all children in OSHC are expected to follow include;

- Follow the 5Ls
- Sit with legs crossed
- Listening to the teachers
- Looking at the teachers
 - Lips together
 - Hands in their laps
- Being respectful towards teachers and other children
- Being responsible for my own positive behaviours
- No talking to strangers outside school grounds
- Coming to oshc in the afternoons before 3:15

OSHC Access

St Gabriel's OSHC is devoted to keeping the students as safe as possible during their time in OSHC. To help our staff in doing so we ask that you support us in this endeavour by keeping the OSHC gate code to yourselves and not sharing it with your children. This is to ensure their safety and the safety of all children.

OSHC Program

Before School Care

Students engage in learning experiences such as watching educational videos which are then discussed as a group. This is to support their learning and all educational videos are watched before hand to ensure they are age appropriate for all students.

After School Care

Students engage in arts and crafts, STEM (Science, Technology, Engineering and Maths), and physical activities. This is to support their learning on topics of their choosing which are suggested then researched by the educators to ensure it is both age appropriate and safe for children to be engaged with.
