General –

Food –

Breakfast can be provided upon your child's request before 8am and afternoon snack is provided around 3pm. Children must bring their own recess, lunch, and labelled water bottles. Packing extra snacks is always a good idea. Please do not pack foods containing nuts as we are a nut free school. We encourage all families to provide healthy food because it helps children to have good energy throughout the day.

Clothing –

Please dress your child/ren in weather appropriate clothing. Please send warm jackets and rain jackets on cold and rainy days and sun smart clothing on hotter days. **Please ensure that clothing is named.** Enclosed shoes must be worn.

Medication –

Parents must provide medication in original packaging where possible and complete a medication authority form to allow a staff member to administer the medication.

Transition Reception Students -

Children who are in Gabby's angels are welcome to attend incursion and home-based days. These students can only attend excursions once they have started reception.

Behaviour management –

We seek to provide a safe and caring environment for all children in OSHC. Behaviours that all children in OSHC are expected to follow include;

- Follow the 5Ls
 - Sit with legs crossed
 - Listening to the teachers
 - Looking at the teachers
 - Lips together
 - Hands in their laps
- Being respectful towards teachers and other children
- Being responsible for my own positive behaviours

Positive behaviour is supported and promoted. We work in partnership with parents and your support is essential to maintaining this environment. OSHC will provide consistent and reasonable expectations for behaviour.
