Children who are in Gabby's angels are welcome to attend incurison and home-based days. These students can only attend excursions once they have completed a full 2 terms of reception.

#### Behaviour management –

We seek to provide a safe and caring environment for all children in OSHC. Children are expected to behave in a safe caring manner towards themselves, other children, and staff. Positive behaviour is supported and promoted. We work in partnership with parents and your support is essential to maintaining this environment. OSHC will provide consistent and reasonable expectations for behaviour.

If your child becomes a danger to themselves, other students, or staff then you will be required to collect your child immediately. If this behaviour persists you child will be suspended from the service.
