# FROM THE PRINCIPAL

Dear Families and Friends of St Gabriels,

## Sports Day

Today we thoroughly enjoyed a fantastic community Sports Day. I was delighted to see students supporting and encouraging the efforts and successes of their peers and trying their personal best at each opportunity. Congratulations to Xavier for coming first and Chevalier for winning the spirit cup.

First place Xavier, second place Chevalier and we had a tie in third place between Hartzer and MacKillop.

With the spirit cup, we have Chevalier first, second Hartzer, third is MacKillop and fourth is Xavier.

Thank you to each of our staff for their preparation in the lead up to this event. Particular thanks to Bernie Meixner for coordinating the day, and to our community group for an excellent barbecue.

## School Supervision

Each morning we have two teachers on duty from 8.30am. This time enables students to interact with their friends in a supervised environment until the day officially begins at 8.50am. At the end of the day, teachers provide supervision on Barrington Avenue and Whittington Street from 3pm until 3.20pm. These supervision times before and after school support the safety and wellbeing of students.

In Term 4 families will be welcomed into school each morning at 8.30am during which time Whittington Street gate will be opened and the front office will open.

OSHC continues to be available for families each morning from 6:30am and after school each day until 6:00pm. Bookings and enquires can be made by through [oshc@sgs.catholic.edu.au](mailto:oshc@sgs.catholic.edu.au).

As this is the final newsletter for the term, I would like to take this opportunity to wish all families a wonderful term break.

I look forward to welcoming you all back to school at the beginning of Term 4, Monday 14th of October.

## CATHOLIC IDENTITY AND MISSION

### Feast of the Angel Gabriel

Sunday 29th is the Feast Day of the Archangel Gabriel, the patron saint of our school.

The angel Gabriel appears in scripture across time and place, appearing to Daniel in the Old Testament, Zacharias, Mary and Joseph in the New Testament and to the Prophet Mohammed in the Muslim tradition.

Saint Gabriel is a messenger of God, bringing God's word to those who take notice.

On Thursday 26th September the Year 3 students will present a prayer assembly to celebrate the Feast of Saint Gabriel. We look forward to celebrating as a community on this special Name Day for our school. All parents and families are welcome to attend.

**When: 26th September Thursday (Week 10)**

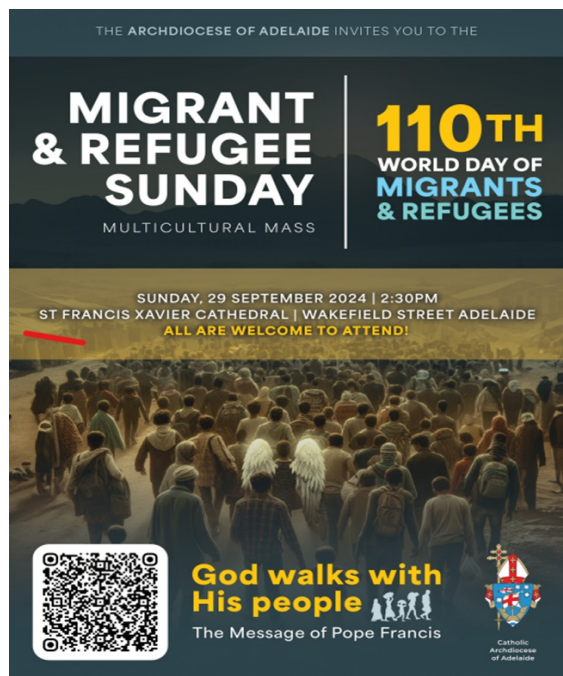

**Time: 2:00pm - 3:00pm**

**Location: The Sacred Heart Gym**

### Migrant and Refugee Sunday

All are welcome to attend the Migrant and Refugee Sunday Mass at the Cathedral on Sunday 29th September at 2.30 pm.

Please see the flyer below for details.

## Draw Near Project

The Draw Near Project aims to support refugees and asylum seekers in Adelaide.

St Gabriel's families are invited to donate food items to support families as they begin a new life.

The project continues until the end of the term. Any donations are most welcome.

## Congratulations Mia Porter

On Saturday 14th September Mia Porter competed in Boulder State Titles in Keswick, South Australia

Mia competed in a variety of bouldering events against 11 other competitors in her age group. She had to complete seven boulders in two hours. Mia successfully completed the event in one hour and twenty minutes. Mia reached the top of all seven boulders which helped her win the overall State title.

Winning the state event now means Mia will go on to compete in the national titles.

A family outing to a rock climbing venue has encouraged Mia to successfully continue with the sport. Keep a look out for the name Mia Porter in the Brisbane 2032 Olympics.

## WHAT'S HAPPENING IN OUR COMMUNITY - YEAR 5'S

This term has been filled with a range of new learning experiences and we welcomed Mrs Howard from UNISA to our classroom.

In Maths, we have discovered the many uses of fractions and how to name, convert and calculate with them. We represented fractions in a number of different ways including creating images from fraction blocks and calculating the value of our images.

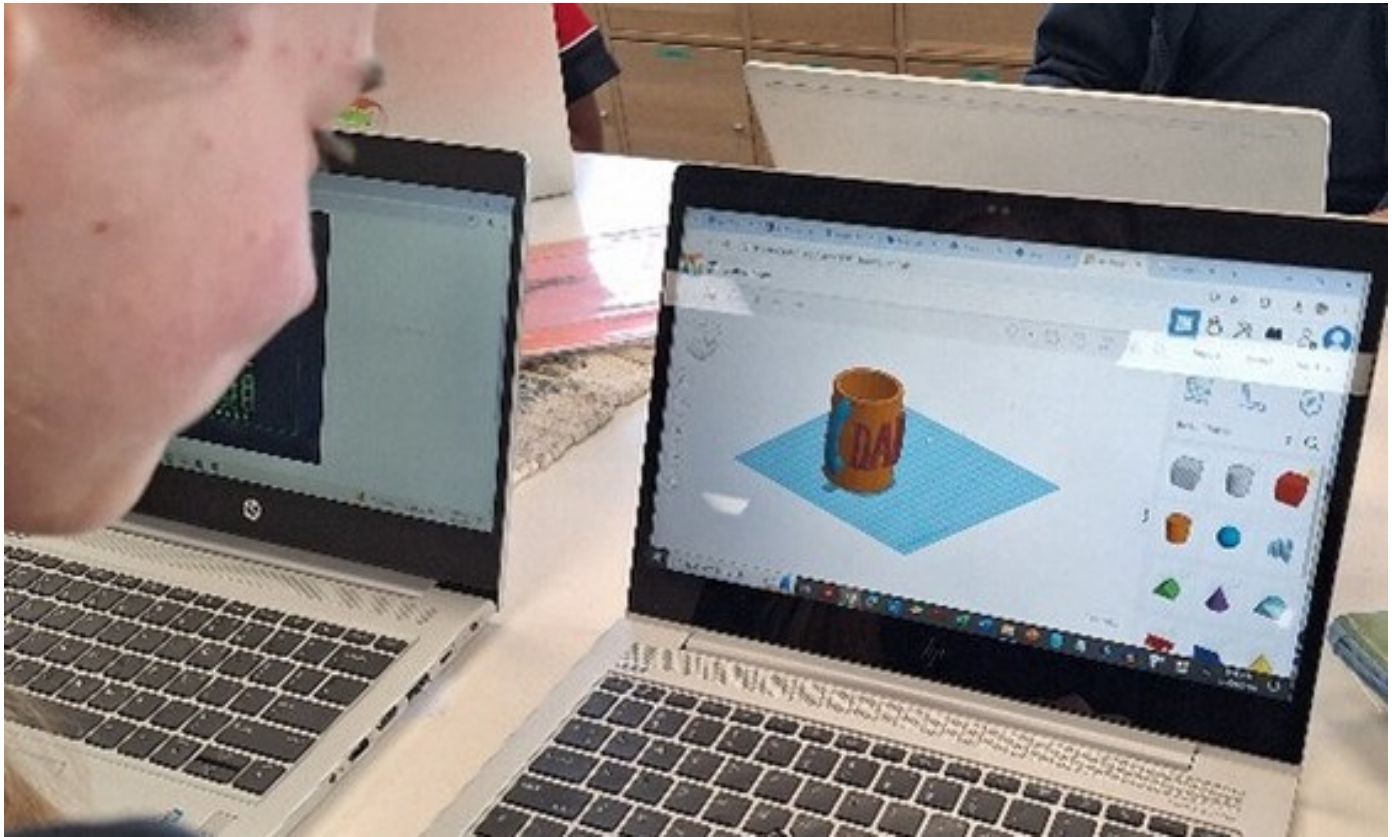

In Science we have experimented with 'Light' and learned about the properties of light, and how it can be reflected and refracted.

Not forgetting, to celebrate our fathers for Father's Day, we designed and 3D printed a personalised 'trophy' pencil cup for our loved ones.

A very productive term for everyone!

## EARTH CARE SQUAD

The Earth care Squad will begin planting spring crops in the vegetable garden this nest week. We are grateful to Bunnings Prospect for their support and assistance in planting our summer vegetables and fruits.

### Box it the Bin It

The Earth Care Squad are introducing the "Box It then Bin It" campaign. This campaign is designed to encourage children to put their food wrappers back in their lunch boxes and then take it home to dispose of later.

So please...

**Box It, then Bin It**
